1 Mark Ekeland, head coach

23 Bob Keeney, graduate assistant

Mark Ekeland has a .641 winning percentage in 771 career games at SDSU.

The 2001 season will be Mark Ekeland's 18th year as baseball coach at South Dakota State University, and his list of accomplishments continues to grow.

Already the winningest baseball coach in SDSU history, Ekeland will reach 500 career victories with his fifth win this season.

His first year, in 1984, SDSU won 27 games - the first time any Jackrabbit team won 20 or more games.

Every season since, SDSU has been over 20 victories.

The 1989 team won 30 games, a school record. In 1990, his team again broke the record, this time with 31 victories.

In 1993, the Jacks shattered that record, winning 39 games. In 1994, SDSU tied that record and set a school mark for highest won-lost percentage in a season, finishing

39-10-1.

Ekeland has guided SDSU to five North Central Conference championships and six NCAA playoff appearances. His teams have won 11 North Central Conference Southern Division championships in the last 14 years.

During Ekeland's most memorable season - his first at SDSU in 1984 - State finished second in the divisional standings. That was still good enough to get the Jacks into the playoffs, and they went on a roll that took them all the way to California for the NCAA Division II championship tournament. State won the NCC playoffs in three straight games, then hosted and won the NCAA Division II Midwest Regional to earn SDSU's only trip to the Division II World Series. Ekeland was voted North Central Conference and NCAA Regional Coach of the Year.

In all, Ekeland has been named North Central Conference Coach of the Year five times. After earning the distinction in 1984, Ekeland won the award four consecutive times in 1992, '93, '94 and '95.

Ekeland served on the NCAA Division II National Championship Baseball Committee since 1993 and finished his term as chairman of the committee in September of 1999.

A native of Rapid City, Ekeland graduated from Central High School where he was a member of the state Class A championship basketball team in 1969 and the state championship American Legion baseball team in 1970.

Ekeland attended Augustana College, where he lettered in both football and baseball. In 1972, he earned honorable mention all-conference honors in baseball.

After graduating from Augustana with a bachelor's

degree in Physical Education and History in 1973, Ekeland taught elementary physical education while coaching high school football and basketball at Columbus, NE.

Ekeland added a master's degree from South Dakota State University in 1977, after serving as a graduate assistant in football and baseball.

From 1978 until 1983, Ekeland was on the staff at Jamestown College where he served as defensive coordinator in football (five years), assistant men's basketball coach (three years), head women's basketball coach (two years), and head baseball coach (five years).

During his career at Jamestown, Ekeland guided the Jimmies to the North Dakota College Athletic Conference baseball title in 1979. He was also assistant coach on the men's basketball team which won the NDCAC title in 1980,

and on the Jimmies team that earned a berth in the NAIA District 12 playoffs in 1981.

He was also defensive coordinator on a 1979 Jimmie football team that posted an undefeated season, participated in the national playoffs and led the nation in total defense.

Ekeland was named Augustana Alumni Coach of the Year in 1993, South Dakota Male College Coach of the Year in 1994, and inducted into Rapid City's Sports hall of Fame in 1995.

Ekeland's wife, Rebecca, was the 1995 South Dakota Teacher of the Year. They have two children, Drew and Betsy.

Assistant Coach Bob Keeney

Bob Keeney, a native of Burnsville, MN, is in his second season as a graduate assistant at SDSU. Kenney played college baseball for the University of Minnesota from 1993 to 1997. He received Atlantic Region honorable-mention honors in 1994 and was named to the All Big Ten team in 1996. He is the University of Minnesota's all-time leader in triples, is seventh all time in doubles and is 11th on the career-hits list. He played for the Philadelphia Phillies organization one year in Clearwater, Florida, and was an assistant coach at Bethel College in Arden Hills, MN in 1998. He is currently pursuing a master's degree in athletic administration at SDSU.

Jacks Hope To Rebound After Missing Playoffs

The 2001 South Dakota State has a goal no other SDSU team has had.

After qualifying for the North Central Conference playoffs every year since the current format was adopted 17 seasons ago, the Jacks missed the tournament last year by one-half game.

Graduation took some big chunks, particularly in the pitching department, but Mark Ekeland's 18th team still has some solid talent to build around.

Catcher: Last year, all-conference performer Josh Guse and Chris Studer split the position. Guse had graduated. Studer, however, was third on the team in hitting last year, with a .388 average, and also has power, with four home runs and 13 doubles. He was also third on the team in RBIs, with 33. Redshirt Jesse Reich will also battle for playing time.

First base: Jeff Biehn had a year of eligibility remaining but chose not to return so Russ Langer may inherit the position. Langer was NCC MVP two years ago, and hit .389 with five home runs last year.

Second base and Shortstop: Like last year, Ekeland has the same players vying for these position although one could be moved to third. Matt Hanson became the starting second baseman as a first-year freshman last season. Another sophomore, Ryan Sauter started over 30 games at shortstop. Then there's junior Keith Bury at shortstop, a two-year letterman. Letterman Noah Hummel could move to third if he doesn't start at second.

Third base: Grant Pudas hit .405 a year ago but he's gone. Hummel (.353 average for 20 games) could take over or Studer may play their if someone else wins the catching spot. And wrestlers Toby and Tyler Bryant may find playing time at any one of the three position.

Outfield: Junior Kerry Jacobson should be back in left, senior Adam Gregg or junior Rusty Remmers in center, with right field open. Langer has played right. Newcomer James O'Neill has exceptional athletic skills and could win a starting spot.

Pitchers: Those missing include Tim Buter (7-4), Tom Laughlin (1-5), Nate Sticha (1-2), plus parttimers Paul Sanow, and Jeff Biehn. Junior Tom Mousel (6-3) is the

top returning starter. Junior Rob Hirschoff (3-2) has

shown steady progress. Redshirt freshman Collin Cantalope and JC transfer George Kohlmann give SDSU a couple left-handed starters. After that, some position players may contribute. Coach Ekeland hopes to use Remmers more out of the bullpen. Gregg and/or Sauter could start on occasion. The Jacks also have Randy Santema back.

Among the newcomers, Rapid City product Ryan Hansen could make an immediate impact, either in the outfield or as designated hitter.

EARLY HISTORY

South Dakota State University, the state's land grant institution, was authorized in 1881 by the Territorial Legislative Assembly. Territorial council member John O'Brien Scobey, failing to obtain the penitentiary for Brookings, managed to secure Dakota Agricultural College for his city.

Although allocations fell short of the actual cost, the school was able open in the fall of 1884 because the president, George Lilley, was willing to advance \$500 (one third of his salary) to finish three rooms in the new Central building. "Old Central" was soon joined by South (1885) and North (1887), forming the nucleus of campus activities for a decade and a half.

DEVELOPMENT

During the first year of operation, only preparatory classes were held. College classes started in 1885 with 5 teachers and 17 freshman and 61 preparatory students. Growth was slow and erratic for many years, but by the turn of the century there were 242 students. By 1990 SDSU had an enrollment of over 9,000 students. It has granted over 48,500 degrees since the college was chartered in 1881.

COLLEGES ESTABLISHED

The structure of the college became more complex as enrollments increased. The first nine chairs of instruction established in 1884 included agriculture, science, mathematics, English, modern languages, military tactics, veterinary science, practical business, political and domestic economy, and music. By 1907, the year the name of the institution was changed to South Dakota State College of Agriculture and Mechanic Arts, there were 22 departments on campus. Reorganization into the five divisions which formed the basis for the designation of colleges was completed under President Charles W. Pugsley in 1923. In 1964, when "State College" was renamed South Dakota State University, there were six colleges -

Arts a Science, Agricultural and Biological Sciences, Home Economics, Engineering, Nursing, and Pharmacy and a Graduate Division. A seventh, General Registration, was added later. In 1975 the Division of Education was created, which became the College of Education and Counseling in 1991.

Today, degrees are offered through these eight colleges:

- Agricultural and Biological Sciences
- Arts and Science
- Education and Counseling,
- Engineering
- Family and Consumer Sciences
- General Registration
- Nursing
- Pharmacy
- Graduate School

SDSU is accredited by the North Central Association of Colleges and Secondary Schools.

271 ACRE CAMPUS

SDSU has grown from a campus of eighty acres when the institution was founded by the Territorial Legislature in 1881, to a 271 acre campus with facilities worth over \$220 million. The University owns or leases another 15,000 acres of land for research throughout the state.

Peggy Gordon Elliott became

SDSU's eighteenth president on January 1, 1998 following the retirement of Robert T. Wagner.

SOUTH DAKOTA'S LARGEST

With 8,719 students registered for the Fall of 2000, enrollment at SDSU continues to be the largest of all the state's institutions of higher education.

More than 200 majors, minors and options are available with more than 2,500 different course offerings. Master's degrees are offered in more than 30 areas, and doctorates are available in eight fields. The University also offers degree programs through the Sioux Falls Center for Public Higher Education. Evening, RDTN, Internet, and off-campus courses are available through the Office of Academic Affairs and Outreach.

Seventy percent are residents of South Dakota, 20 percent come from 46 states and 41 international countries.

Supplementing classroom instruction are the Harding Distinguished Lecture Series, the F.O. Butler Lectures, and the Amdahl, Schultz-Werth and Griffiths endowments. Students may join more than one hundred clubs and organizations that are active on campus.

The University reaches all corners of the state through the Cooperative Extension Service and the Agricultural Experiment Station, offering service to seek to improve the quality of rural life. Also at SDSU are the Center for Innovation, Technology and Entrepreneurship, Engineering Experiment Station, Office of Remote Sensing, South Dakota Transportation Technology Transfer Service, University/Industry Technology Service, Water Resources Institute, Engineering and Environmental Research Center, Animal Disease Research and Diagnostic Laboratory, and Northern Grain Insect Research Laboratory.

These units help strengthen the University's growing commitment to research in the areas of energy and water resources, and support of state and local economic development

efforts through research and information transfer. The newest buildings on campus are Berg Hall and Bailey Hall, both featuring apartment-style student housing. Each building has 40 units with four single person bedrooms and a common kitchen space, living room, and bathroom. The \$7.2 million project was dedicated on October 22, 1994.

The Northern Great Plains Biostress Laboratory, dedicated in 1993, houses scientists who focus on research aimed at developing new technologies to protect crops and livestock. Research conducted in this facility benefits the entire region.

MUSEUMS

The South Dakota Art Museum was first envisioned by the South Dakota Federation of Women's clubs in 1949, and dedicated in 1970. The Museum's collections correspond to the rich art history of the state, including early masterpieces of Sioux Indian Tribal art, the famed Harvey Dunn paintings of pioneer life and the exclusive Vera Way Marghab linens.

The State Agricultural Heritage Museum transformed the former Stock Judging Pavilion into a home for exhibits that record and preserve the agrarian heritage of South Dakota. Visitors come from all 50 states and 45 foreign countries.

The 70-acre McCrory Gardens and South Dakota Arboretum provide a beautiful setting for area residents and tourists to enjoy a stroll through the radiant colors and fragrances of one of the top 10 small ornamental gardens in the nation. It is also recognized as an All-American Display Garden, one of

only 13 in the nation. In 1993 McCrory Gardens was designated an All-American Judging Garden to conduct research on annual flowers.

Since 1985, private contributions have made many new gardens possible including the Rose, Rock, Centennial Prairie, Iris, True Lily, Mum, Native Prairie Collection, Oak Tree Memorial Garden, All-Red Specialty Garden, Peony Garden, Shrub Rose Collection, and Children's Maze. In August 1994, dedication ceremonies were held for the Mickelson Grove Memorial.

The S.D. Arboretum's purpose is to test woody plants needed to protect agricultural fields and livestock from the region's harsh environment, to provide hardy trees to shade our towns and cities, and to test ornamental shrubs for both durability and beauty.

Both the arboretum and gardens are managed by the SDSU Horticulture, Forestry, Landscape and Parks Department. More gardens and tree and shrub collections are being developed.

LARGEST LIBRARY

The Hilton M. Briggs Library, the state's largest, was opened in 1977 and joined South Dakota's statewide automated library network in 1988. Through the library users have access to holdings from all 10 of the state's libraries, including official documents and more than one million other holdings at Briggs.

PEGGY GORDON ELLIOTT **PRESIDENT**

Peggy Gordon Elliott became South Dakota State University's eighteenth president on January 1, 1998 following the retirement of Robert T. Wagner.

Before becoming president of SDSU, Elliott was a senior fellow and acting vice president for Academic and International Programs at the American Association of State Colleges and Universities in Washington, D.C. She has extensive higher education leadership experience at The University of Akron, where she served as president from 1992 to 1996, and Indiana University Northwest, where she was chancellor from 1983 to 1992.

Elliott earned her doctorate in secondary education from Indiana University, her master's in English and secondary education from Northwestern University, and her bachelor's in English from Transylvania University. She taught high school in Gary, Indiana, and moved into various teaching and administrative positions in the Indiana University system. She amassed a broad range of national experience and made extensive contacts in the Washington community.

FRED OIEN **ATHLETIC DIRECTOR/ HEAD OF HPER**

Dr. Fred Oien became the 11th athletic director at South Dakota State University July 1, 1990.

Oien earned his Bachelor's Degree at SDSU in 1972 and has been on the SDSU staff since 1979, becoming athletic business/ticket manager in 1981.

Oien is a 1968 graduate of Baltic, SD, High School. He added a master's degree at SDSU in 1975, then completed his doctorate (Ed.D) at the University of Massachusetts-Amherst in 1979.

Oien taught physical education and health at the Brookings Middle School 1973-76, during which time he was varsity golf coach for both boys and girls, and middle school basketball and football coach. His golf teams won state championships for both boys and girls.

Oien was also women's golf coach at SDSU, guiding the Jacks to one North Central Conference championship. The SDSU women's golf team of 1982 was voted South Dakota Women's College Team of the Year.

Oien, and his wife, Mary, have two children.

MYLO HELLICKSON **FACULTY REPRESENTATIVE**

Dr. Hellickson has been South Dakota State University's faculty representative to the North Central Conference and NCAA since 1977, and as such is also chairman of the Athletic, Intramural and Recreation Committee on campus.

Hellickson is an instructor in the agriculture engineering department at SDSU. He has been on the SDSU staff since 1969, serving as a professor in agricultural engineering until he was appointed as head of that department during the summer of 1982.

Dr. Hellickson's specialty has been in the area of livestock structures and environment with recent emphasis on solar energy use in agriculture. A native of Belfield, ND, he earned a Bachelor's Degree in agricultural engineering from North Dakota State University in 1964, added a master's degree in Ag Engineering from NDSU in 1966, then earned a Ph.D. in engineering at West Virginia University in 1969. He was included in Outstanding Young Men of America in 1970.

Hellickson was presented the North Central Conference Meritorious Service Award in 1990.

JIM BOOHER **ATHLETIC TRAINER**

Dr. James Booher was inducted into the National Athletic Trainers Association Hall of Fame during the past summer.

He heads one of the top athletic training operations not only in the Upper Midwest but the country.

He has been responsible for the development and growth of the athletic training-physical therapy program at SDSU and has had exceptional results in placing students as they advance toward their physical therapy degree.

Booher is a native of Ashland, Neb. He earned a Bachelor's Degree in Biology at Nebraska Wesleyan in 1965.

He received physical therapy training at Mayo Clinic in Rochester, Minn., then earned a Master's Degree in HPER at SDSU in 1969.

He completed his doctorate at the University of Utah in 1976. Booher has been on the SDSU staff since 1967, although he split time between the university and the Brookings Hospital until 1975 when he became a full-time staff member at SDSU.

Booher co-authored a textbook entitled "Athletic Injury Assessment".

Booher is a member of the NCC Hall of Fame and the South Dakota Athletic Trainers Association Hall of Fame. Booher and his wife, Kathy, have three children.
